

Woodwind Warm-ups

Clinic

Presented by

Nathan Muehl

- Hear fundamental improvement in your woodwind section's tone, technique, and intonation.
- Flexible and fully customizable system to fit the needs of nearly any level of musician.

"My eyes opened up to the importance of a real warm-up. Now, I can't play anything unless I've done a full warm-up. I hear so much improvement."

"I like how I can pick and choose what works best for me."

"Using the tracking-sheets shows me what to do next, and they keep me on a schedule. Before, I really didn't know what to do."
